

**Design Contest**  
**ME72 Engineering Design Laboratory**  
**Fall & Winter Terms, 2006-07**  
**Teaming Exercises**

1. Team Name

Create a name for your team using the following process

- Each person come up with 3 possible names (3 minutes)
- Share your names, and then jointly think of 3 new possibilities (5 minutes)
- Each person rank the possible choices (3 minutes)
- Share your rankings and then decide on a name (5 minutes)

2. Team Logo

Meet together outside of class and create a logo for your team, which reflects your team name.
